Little Sesame

Little Sesame's quality-over-everything approach is making a splash on grocery shelves. Founded in a 500 sq basement pop up in 2016, Little Sesame launched a grocery ready line of hummus in July 2021. The recipe was created by founders and chefs Nick Wiseman & Ronen Tenne in their flagship restaurant in Washington, DC. The hummus is made with 100% regeneratively farmed chickpeas grown by farmer Casey Bailey under the big sky in Montana. It's freshly spun and super smooth, layered with rich tahini and brightened with freshly squeezed lemon juice.

BARIS

Bariloche—our hometown in Patagonia—is the origin of our uniquely flavorful and nutrient-rich raspberries, grown in glacial waters, long summer days, and fertile Patagonian soil. As kids, our summers were filled with adventure: hand-picking raspberries from the garden, gathering around cozy bonfires, and sharing unforgettable stories. Those cherished memories inspired us to pair our raspberries with the finest chocolate, creating the perfect frozen treat. At BARIS, we hand-pick each raspberry from the pristine Patagonian landscape, connecting you to the region's natural beauty with every chocolate-covered bite. Join us in celebrating and preserving this extraordinary place.

Fresh frozen raspberries from Patagonia
dipped in the finest chocolates

Satisfying treats that marry the
tanginess of raspberries with rich
chocolate.
