# DUMPLING DAUGHTER

From our founder, Nadia: "Dumpling Daughter was born two generations before me. My parents owned Boston's most renowned fine dining Chinese restaurant, Sally Ling's! Despite all the fancy food I enjoyed, my favorite food was mom's home cooking and I often looked forward to an after-school snack of steamed buns or a giant plate of dumplings. Dumplings became the essential comfort food of my childhood. I have since founded Dumpling Daughter, which serves many of my family's most authentic time-tested dishes."

From the Farm is restoring dairy to its origins - real food from real farms that nourish and heal. We were tired of a dairy aisle dominated by conventional, grain-fed milk and long ingredient lists. So we partnered with local farmers to bring back nutrient-dense dairy. Our ice cream base is made simply from organic A2/A2 dairy, raw organic honey, and organic egg yolks. Our regenerative milk is naturally richer in CLA and omega-3s, with a golden butterfat and an A2 protein many find easier to digest than conventional milk. We use no gums, no fillers, and no ultra-processed additives - just whole, farm-fresh ingredients.

When Belgian chef Xavier came to Richmond, Virginia to open a restaurant, little did he know he'd meet his match in his meticulous and spunky Southern sous chef, Hannah. The two bonded over their love of cooking and really good food. Their love story was just the beginning, when Hannah started whipping up restaurant-quality ice cream sandwiches they knew they were onto something. Now the husband and wife team sandwich together their European roots, Southern charm and premium ice cream between freshly baked chewy cookies. Nightingale is proudly woman veteran-owned.
